

## Instructions for Creating/Recording Video

Please ensure that the video uploaded is of good quality and conforms to the instructions given below.

The video comprises two parts: “**Introduction Part**” and “**Demonstration Part**”.

The purpose of the “Introduction Part” is for us to understand your teams’ approach and method. The purpose of the “Demonstration Part” is for us to evaluate your Task 6 performance.

**Introduction Part:** The video **should start with a brief introduction**. Please follow the instructions below:

- Opening screen of the video should show the Team ID, College name, Theme name and Team members’ names and should remain for 3-5 seconds. You can refer to the [“Title slide”](#) provided.
- This should be followed by an introduction limited to a maximum of **TWO minutes**:
  - A short introduction by each team member where they can mention their names and department in the college. **(30 seconds)**
  - A **maximum 30 seconds** introduction by the team leader highlighting any interesting aspect of the theme’s implementation.
  - A **maximum 60 seconds** description highlighting the challenges faced while completing the task.
- Below are some cues that you may to cover in the introduction video:
  - *What were the major learnings and impact of the theme?*
  - *How are members working together as a team despite pandemic?*
  - *How did the team divide the work?*
  - *How would you evaluate your own performance towards the theme?*
  - *How did you decide the goals/subgoals for implementation among yourselves?*
  - *Did you have conflicts among yourselves on approaches/methods? If yes, how did you resolve those?*

**NOTE: Both video and audio should be clearly visible and audible for all the team members.**

### Demonstration Part:

- The arena/environment must conform to the *Original/Bonus* Configuration (as available on the portal) before you start shooting/recording the video
- Demonstration part **MUST** be a **one-shot continuous video** and it should **not be edited** in terms of being fast forwarded or slowed down, the run time should be the same as actual run time. Teams uploading an edited video will be **disqualified** from the competition.
- **Refer to Discourse Forum for additional Task 6 video recording instructions.**

### Note:

- e-Yantra reserves the right to disqualify any team if any foul play is suspected.
- Teams are allowed to stitch the Introduction and Demonstration part ensuring that the Demonstration part **MUST** be a one-shot continuous video as already stated above.
